Bemærk detaljerne:

- Reolsider med massive, afrundede forkanter
 - Ingen huller på ydersiderne
 - Ramedør med 4 mm hærdet glas
 - Fuldt skuffetræk, der giver optimal udnyttelse af skuffen
 - Miljøvenlig og modstandsdygtig UV-lak
- Træ er et naturprodukt, som hurtigt får en varmere glød, husk derfor jævnligt at flytte rundt på tingene på reolen

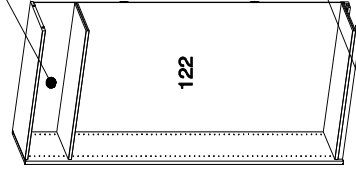

Notice the details:

- Bookcase sides with solid, rounded front mouldings
 - No holes on the outsides
 - Framed doors with 4 mm hardened glass
 - Fully retractable drawers for maximum use
 - Environmentally friendly, tough UV-enamel
- Wood is a natural product which rapidly assumes a warm glow. We therefore recommend that you regularly move the objects you have on the shelves to maintain a uniform surface.
